COLLEGE SKILLS PROGRAM

The College Skills Program consists of the **Basic Math, Basic Writing** and **Reading Development** classes, and the College Skills Labs for reading/vocabulary, notetaking and listening skills.

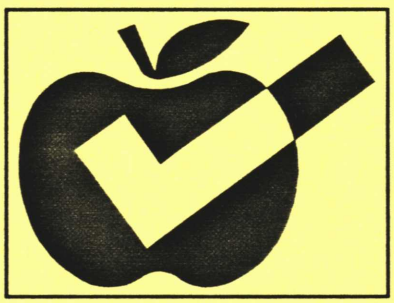

One of the main indicators for participation in the College Skills Program is the **Mount St. Mary's College Placement Testing**, which includes Notetaking, Arithmetic, Mathematics, Writing, English Usage and Reading. ACT/SAT scores and entrance GPA are also considered for a holistic evaluation of the student's academic potential for success in college. Specific College Skills Program classes are provided for students whose placement test scores indicate a need to strengthen basic skills.

The College Skills classes are developmental classes and are not transferrable. They are counted as electives toward the Associate in Arts Degree, and students may only use 9 units of the credits for the A.A. Degree.

If students do not achieve competency in these classes, they receive **NO CREDIT** and must repeat the classes. For a student in English 3X (Basic Writing) to receive a grade of "C" or better, she must also meet the competency level of the placement test for that class. Students may take the class(es) during summer school, but will be required to repeat the test(s).

Until the students meet the required competency level of placement testing, they must repeat the class(es) or work in the Learning Resource Center with staff direction.

Each student failing the developmental classes will be considered individually. If the instructors ascertain that she has potential for college, and if her GPA in other classes is acceptable, her advisor and the Program Director will evaluate with the student her academic goals. If it is determined that her maturity level, as well as her ability, are not sufficient for college success at this time, she will be advised to withdraw.

OUTREACH

Since the outreach requirement can be satisfied both through program requirements and a Social Action class, it is important that all the faculty know the goals of **OUTREACH**. Those working directly with the students in clinical, practice teaching or internship experiences should incorporate the goals into the particular experience.

OUTREACH extends the instructional process beyond campus boundaries. Its central goals are:

1. To develop an increased awareness of important issues in our society.

2. To provide opportunities for career-related experiences.

3. To provide experience with the pain, pleasures and value in helping people and to provide practice in deriving meaning from such human interactions.

4. To provide motivational and experiential bases for learning principles and conceptual systems which form abstract knowledge.

This program also serves the purpose of providing regular volunteer aid to community agencies, centers and institutions. **OUTREACH** may also be based upon an experience designed in conjunction with the faculty of Mount St. Mary's College. Such experiences occur in one of three levels:

1. **Social Action** -- The student performs supervised volunteer service, such as child care, family visits, tutoring and hospital volunteer work on a regular basis. She shares these experiences in seminars with other **OUTREACH** volunteers. There is always an attempt to derive some meaning from the experiences. A written summary by the student and a critique of the student's work by the agency supervisor are also part of this program.

2. **Fieldwork** -- The student may engage in fieldwork in relation to a particular course. Examples would be the clinical aspect of nursing courses, work in sociology or practice teaching.

3. **Inter-Disciplinary Problem Solving** -- The student spends an entire term in some off-campus experience involving extensive problem solving. For example, the student might work with other students, faculty and neighborhood leaders in accomplishing some well-defined significant task. As students work on such a project, they learn about principles, techniques and conceptual structures used in the academic disciplines; they learn in response to the need to solve real-life problems.

"Doheny Doings"

SPECIAL ISSUE SEPTEMBER 9, 1992

Mount St. Mary's College
Faculty/Staff/Administration

Webster defines **"BRIDGE"** as "a time, place, or means of connection or transition." This year our Student Orientation organizers have selected the symbol of a **bridge** as their theme. They see a need to provide connections on several levels: cultural, social, racial, and spiritual. As faculty, staff, and administrators, I also urge us to be "bridge-builders"--in our classrooms, centers, labs, and offices--wherever and whenever our students need to "connect."

Therefore, our focus this year will be

BUILDING BRIDGES THROUGH COMMUNICATION AND UNDERSTANDING

COMMUNICATING: In order to implement most effectively the goals of the campus, we need to communicate with each other. The following methods of communication have been established on the ***Doheny Campus:***

A. **GENERAL COMMUNICATING:**

1. Faculty/Staff Mailboxes: (First floor of Administration Building, Bldg. 10.) Mailboxes should be checked each day. Mail between the two campuses is delivered regularly. A schedule is posted at the Switchboard.

2. ***Doheny Happenings*** is a publication whose purpose is to inform faculty, staff and students of news especially pertinent to this campus. The date of issue is **Monday** of each week. Faculty, staff and students are encouraged to submit items of interest to **Sister Joseph Adele**, Editor of the Doheny Happenings. (The deadline for submitting articles is Wednesday at 2:00 p.m.)

3. ***Doheny Doings*** is a newsletter which supplements Doheny Happenings with items pertinent only to faculty and staff.

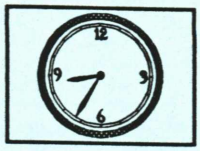

4. Student Mailboxes: **Resident** students' mailboxes are located in McIntyre Hall (Bldg. 15). If you wish to contact students through mailboxes, leave messages in the lobby for Residents.

5. Bulletin Boards have been permanently placed on the south wall of the first floor of Bldg. 4 (the classroom building). Space has been provided for general information as well as departmental notices. The Coordinator of Student Services will be responsible for general boards, and each department is asked to keep its respective space orderly and current. The **48-Hour Board** (next to Room 109) may be used for messages to students (and is the prime means of contacting **commuter** students). Please date on the outside any messages placed on the 48-Hour Board.

6. Switchboard: Open from 8:00 a.m. to 7:30 p.m. Anyone who needs training on the phone system should contact **Sister Edward Mary** in the Business Office.

 If you place a long distance call, please fill out the appropriate slip and put it in the Business Manager's mailbox.

7. Class Adjustments:

a. Permission to change the time of a class or the assigned classroom *must* be obtained from the Dean.

b. Notify the Dean's Office if you will be absent or late for your class, or if your class will not be meeting for any reason (e.g., field trips, etc.).

c. All classes are to be held for the full period. Students may not dismiss themselves from a class unless a faculty member is more than **fifteen minutes** late in appearing for class.

d. Mid-Term examinations are given during the regular period. **Final Examinations are required in all undergraduate courses** and are given during the scheduled Final Exam Week. Final Examination schedules are made so that students will not be overloaded. **ANY** deviation from the schedule requires **permission from the Dean.** Thus, Final Exams are not scheduled during the last week of classes.

B. COMMUNICATION REGARDING STUDENTS' ACADEMIC PROGRESS:

1. Student Progress: It is very important that the progress of students be carefully watched the first few weeks. If problems arise, please notify the student's advisor immediately. If assistance is needed from the Learning Resource Center, recommend that the student use the Center and notify the Center (forms are available in the LRC). Early Warning (S.T.E.P.) Notices should be given to students who seem to be having difficulty. These can be obtained in the Dean's Office.

2. Deficiency Notices: It is **imperative** that instructors complete deficiency notices for students who are in danger of receiving a "D" or an "F". The instructor should give a copy of this notice to the student and take the opportunity to discuss the reasons for the student's lack of progress. **Final "Fs" should not be given if a student has not received a deficiency notice.**

3. Attendance: Please be conscientious in checking roll and tardiness in your classes. If a student has a pattern of absenteeism and tardiness, please follow up on this and notify the student's advisor and the Registrar. If you wish, you may ask your students to phone the Switchboard to report absence from class; notes will be placed in your mailbox in Bldg. 10.

4. Grades: Final grades are to be reported on forms supplied by the Registrar. These grades should be returned by the time specified by the Registrar. If an "Incomplete" is given in a course, please get the proper form from the Registrar's Office to report the *completed* grade.

C. COMMUNICATING WITH OTHER FACULTY:

1. Dining: Ahmanson Commons has a faculty dining room and other small rooms that can be used for meetings.

2. Meetings: During the course of the academic year, meetings pertinent to the Associate faculty and staff will be held. Please make every effort to attend these

important meetings. Members of the faculty are expected to attend campus-wide programs such as Open Houses, Horizons Day, Siena Day, the A.A. Hooding and Award Ceremony at the close of the academic year, and Commencement exercises.

3. Courtesy: Please advise the Dean's Office a week in advance concerning arrangements for guest lecturers and field trips. Should the field trip necessitate the absence of students from other classes on that day, courtesy requires that the student notify teachers of other classes affected by the field trip before the day.

 Each faculty member is asked to see that the chalkboard of the classroom he or she is about to vacate is erased. This is a point of courtesy to the instructor who will be conducting a subsequent class in the same room.

D. **COMMUNICATION REGARDING EMERGENCIES:**
In case of a **HEALTH EMERGENCY**, phone one of the following persons:

Faculty:	**Sister Joseph Adele, Acting Dean/Fall 1992**
	Sister Kathleen Kelly, Dean/Spring 1993
	Lisa Melou, Secretary (Ext. 2100)
Staff:	**Sister Edward Mary, Business Office Manager (Ext. 2222)**
Students:	**Sister James Marien (Ext. 2120)**

...Or any of the above if you cannot reach the appropriate department.

A.A. students who are in need of medical attention have the use of the U.S.C. Health Center facilities.

In case of **FIRE**:

1. Immediately place a call to the Fire Department **(483-6721 or 911)** to report the location of the fire.

2. Contact the Switchboard to locate and notify the Superintendent of Buildings and Grounds (Mr. Frank Juarez).

3. Evacuate building according to fire drill procedures.

4. Follow emergency procedures (in your Orientation packet).

E. **COMMUNICATION REGARDING PARKING:**
Parking permits may be purchased in the Business Office (Bldg. 10). If you have not received a parking regulations brochure, you may pick one up at this time.

All cars should be marked with the appropriate decal, which you will receive from the Business Office after your payment is made (part-time faculty are not required to pay the fee but must fill out the form and obtain the decal). If you are unable to find a parking space on the campus, St. Vincent's Church parking lot (entrance on Figueroa) may be used.

Front Page Student News

Vol. 1 No. 1 9/14/92

There's a new look to the student newsletters on both campuses. You'll notice that beginning with this issue, each will have a common *MSMC STUDENT NEWS/FRONT PAGE*, covering information of interest to all students. Campus-specific news will be attached to the *FRONT PAGE.*

This change has been initiated in an effort to reduce the volume of newsletters produced by the many organizations on each campus. It also makes it easier for you to submit news items--instead of sending all-College news to **both** Chalon Student News and Doheny, simply send it to the public relations office, and it will appear in the *FRONT PAGE* section. Information that relates to students at only one campus should be submitted in the usual way, to Sister Joseph Adele and Lisa Melou at Doheny, or to Monica Lond in Student Development at Chalon.

This new approach has come out of our evaluation of communications on campus, in accordance with area G-2 in the College's Strategic Plan. Please help us make the new single-newsletter system work!

ON THE HORIZON

Classes at both campuses are canceled on Wednesday afternoon, September 23, so that all students can attend this year's Horizons Day convocation. Our featured speaker is the wild and witty Texas journalist, Molly Ivins. Ivins is the author of the best-selling collection of political writings, *Molly Ivins Can't Say That, Can She?* You may have seen her commenting on the race for the White House on *Nightline* or the *Tonight Show*--or you may have read her commentary in recent issues of *Time* and *Newsweek.*

If you've heard her, read her, or seen her--you know Molly Ivins should NOT be missed!

Eight students from each campus will be selected for a special LUNCH WITH MOLLY on September 23--to participate in the drawing, contact your respective Student Development offices.
Horizons Day is our ONLY fall convocation--be there!

Chalon Campus Circle 11:30 a.m. Complimentary Picnic Lunch
Chalon Campus Center 1:00 p.m. Molly Ivins speaks!
Booksigning to follow.

MSMC PSYCHOLOGY PROFESSOR SPEAKS AT THE ISRAELI INSTITUTE ON THE HOLOCAUST

Dr. Orli Peter, Director of the Psychological Graduate Programs at the Mount, had the opportunity this summer to participate in the Catholic Institute for Holocaust Studies held at Yad Veshem in Jerusalem. This was an extensive 24-day workshop sponsored by the National Catholic Center for Holocaust Education and Hebrew University.

Dr. Peter's presentation, **"Psychological Precursors and Consequences of the Holocaust,"** was extremely well received. She was invited by Yad Veshem to return next year and present additional papers.

CERTIFICATION FOR VISUALLY HANDICAPPED PROGRAM

Aside from MSMC, there are only two other colleges in the state of California that have a program to teach you how to assist the visually handicapped. **The Hilton-Perkins National Program** is now providing certification for Mount students.

This is a wonderful opportunity for graduate and undergraduate students to receive a special certification while completing their education. So students should get enrolled *NOW!* In order to qualify for the certificate, graduate students need to pass PSY 215, 216, and 217, and **undergraduate students need to pass PSY 115, 116, and 117.**

Good News for MSMC

MSMC was rated second among the top ten regional liberal arts colleges in the West in the *U.S. News and World Report* annual college survey issue (9/28/92). This is the fourth year in a row that the College has been named in the top ten, based on the excellence of its academic programs and faculty, as well as the success of our students and their overall satisfaction with MSMC.

From the Athletics Department

The MSMC Cross Country team recently participated in the Caltech Invitational, September 26, 1992. Congratulations to Espie Lopez who beat the old course record. Running over rolling dirt hills and some asphalt in 88 degree weather, Espie, joined by Colleen Moran, Chrissy Gaudagnini, Leanne DeFraga, Cheryl Ramirez and Betty Orozco, led MSMC into a first place tie for overall points with LaVerne College.

Welcome to the newest member of MSMC Class of 2014!

From Campus Ministry:

RETREAT REPORT

Nineteen students from our campus spent the weekend at Leo Carrillo Beach on retreat...enjoying the sun, sand, and the sea...reflecting on God's goodness and being grateful for time to pray and be still. The Campus Ministry staff was delighted with this wonderful response.

HALLOWEEN....is coming! Candy boxes will be placed in all the resident halls this week as well as in Bldg. 10. Remember we need lots of candy for "trick or treat" on Halloween night. Watch for signs for coming meetings regarding our **Haunted Halloween Campus.**

SPECIAL INVITATION TO COMMUTERS: Since our Halloween event is an all-campus event, we are very eager to include and involve our commuters. This year we are inviting commuters to join one of the residence halls in planning games and decorations for that particular house or floor. Please fill out forms that are on the Campus Ministry bulletin board in Bldg. 4. **Commuters...we want you involved! Sign up today!**

SPECIAL EVENT ON CAMPUS

On **Tuesday, October 7, at 7:30 p.m., in Donohue Center,** there will be a special public presentation by **The Gathering Table** (a collaboration of Christian churches with ministry and outreach to the Native American community in Southern California). The speaker for this program, **Honoring the Family,** will be **Georgianna Sanchez** (Chumash-O'Odham), a noted writer, poet, and lecturer, who currently teaches at Cal State Long Beach. This will be an evening for celebrating the Indian family, with prayer, poetry, and fellowship.

LOST!

On Friday, September 25, I left my watch on the counter in the restroom on the first floor of Bldg. 10. We checked back in less than five minutes, and it was gone. If you picked it up to "save it for me", would you please let me know or put it in my mailbox in #10. (It was a gift from my brother and is *very special to me.*) THANK YOU VERY MUCH.

ATTENTION

EARTHQUAKE AWARENESS WEEK:

In an area such as Southern California, we must always be aware of the possibility that the "earth will move under our feet." This week--October 5 - 9--has been set aside at Doheny for **Earthquake Education**. Pamphlets, posters, emergency procedures, as well as the showing of the film, **"Surviving the BIG One"** will be available through the week in the Ahmanson Patio area. (The session on QuakeSafe has been postponed until later in the Fall). Be sure to drop by the patio and pick up some information--it is in the interest of all that each one of us be prepared!

From Residence Area:

LADY BEWARE! In an effort to respond to the security and safety needs and concerns of the campus, the Residence Staff will sponsor a session on **LADY BEWARE!** with Mr. Jim Amormino, a member of the Los Angeles Police Department and the owner of Great American Security. It will take place on **Thursday, October 8, 11:10 a.m. - 12:10 p.m.**, in Donohue Center. All are invited to join us for this session, including **commuters**, **faculty**, and **staff**. This is important to all of us!

From Health Services Area:

WHICH IS YOURS?

There seems to be some confusion relative to the use of the USC Health Services. All Doheny Residents are registered at USC and may make use of those facilities. Commuters have been given a choice this year--to use either the USC or the Chalon Health Center. However, we do not seem to have a complete list of commuters and their choices. It is important that USC get a list soon. **Commuters are asked to please complete the brief form below and drop it off at Bldg. 7, Office 4 by Friday, Oct. 9.**

HEALTH SERVICES CHOICE FORM:

Name:_____

Social Security Number:_____

___ I prefer to use the **USC Health Services** this year.

___ I prefer to use the **Chalon Health Center** this year.

MSMC

TO: FACULTY, STAFF, STUDENTS

FROM: SISTER KATHLEEN KELLY
DEAN OF THE DOHENY CAMPUS

RE: **PROCEDURES IN CASE OF FIRE OR EARTHQUAKE**

WHAT TO DO IN CASE OF FIRE:

1. At the first indication of a major fire, call the Switchboard from the nearest inter-campus phone. Be sure to give the exact location of the fire. ***Do not try to fight a major fire by yourself.***

2. When notified to evacuate the building(s), do so immediately.

 A. Bring your purse and car keys.
 B. Bring a coat or sweater if you have one with you.
 C. Rooms and offices should be left as follows:
 - Lights on
 - All doors closed and unlocked
 - All windows closed

3. To evacuate the buildings, use the stairway nearest you. If any stairway is blocked, use the one nearest of access.

4. After leaving the building, proceed immediately to the street. You will receive further directions when you arrive there. DO NOT TRY TO LEAVE THE CAMPUS until you are authorized to do so.

WHAT TO DO IN CASE OF AN EARTHQUAKE:

The following instructions are for moderate, major and great earthquakes.

1. Inside any building: Get into a doorway, under a heavy table, desk or bench. Stay away from windows, overhead lights, glass doors, outside walls, or anything made of brick or stone. If you can't walk because of the shaking, then crawl on all fours. Watch for falling objects, such as ceilings, light fixtures, etc.

2. DO NOT TRY TO LEAVE THE BUILDING DURING THE QUAKE. Stay put until the building stops shaking--then find a safe way out. Once outside, proceed to the street or to any area that is open and away from buildings and overhead wires, which could fall on you.

3. If you are outside, remain there.

4. Stay outside until you receive directions. Once you are back inside, remember that there are usually several aftershocks, and although the intensity of these is less than the original quake, damage may still occur. Watch for falling objects and broken glass.

(--over--)

The following have the authority to call for the evacuation of buildings in case of an emergency:

Sister Kathleen Kelly, Dean
Sister Colleen McEver, Assistant Dean
Sister James Marien, Director of Residence
Sister Edward Mary, Business Office Manager

WHAT STAFF SHOULD DO AFTER AN EARTHQUAKE:

1. Check for injured persons and, when necessary, provide first aid. If anyone is seriously injured, don't move them unless there is a danger of their being injured more severely.

 CALL FOR HELP (**PARAMEDICS: 384-3131 or 911**)

2. Check for fires in the building, and any situation that could lead to a fire. If you smell something hot or burning, check it out carefully.

 (**FIRE DEPARTMENT: 483-6721 or 911**)

3. Check the utilities and shut the gas off ONLY if there is a sign that it is leaking. If you can't smell gas or hear it leaking, assume it is all right. If gas is, or was, leaking, make sure there is no smoking or use of electrical appliances in the area to avoid fire.

4. If there are any water pipes damaged, turn off the main valve.

5. If there are any exposed wires or evidence of wires being shorted out, then turn off the electricity at the main box.

6. Check to be sure that sewage lines are not damaged before using toilet facilities.

7. If you see the utilities outside the building are damaged (e.g., fallen wires), contact the authorities:

 Department of Water & Power: 481-4211
 Southern California Gas Company: 620-1440

8. Don't enter any damaged building unnecessarily until you have assessed the situation. Allow no one into the building if you do not think it is safe.

9. Listen to the radio for official reports, information and instructions. Do not allow anyone to use the telephone except for reporting emergencies.

The following is a brief and "incomplete" information sheet for the use of all. Everyone is advised to read the complete Guide and put in place the appropriate portions for safety and preparation.

*Meeting Place:
The lawn area in front of Bldg. 4 (between 2 and 8) has been designated as our Campus Meeting Area. Everyone should report there in case of a major quake (or other emergency) and await further instructions.

*What each should have ready:
flashlight (with extra batteries)
battery operated radio
bottle of water
sturdy shoes
plus whatever you need from the various lists of suggestions (see Appendix B in "Survival Guide".

*Know how to protect yourself - during a quake:

1. Don't panic!
2. Indoors: Get under sturdy table, chair or desk; move to a doorway or corner away from outside of building. Duck and Cover! (sit on floor, curl up, brace self as best you can, and cover back of neck with arms). Do not rush for exits or use elevators; avoid windows and other glass or heavy objects.
3. Outdoors: Stay away from buildings, power poles, or other swaying objects such as our campus trees. In cases where something like a bus bench is available, get under it and Duck and Cover! Protect head with purse, briefcase, coat, or anything else which might act as a shield.
4. In a car: Drive away from underpasses/overpasses, trees, telephones or electrical lines. Stop in a safe area. Stay in vehicle.
5. Do not use candles, matches or other flames, during or after an earthquake, because of possible gas leaks. Put out all fires.

*What to do after an earthquake:

1. Check for injured persons and provide first aid. (Paramedics: 384-3131 or 911 -- but might be on own)
2. Check for fires and any situation which can lead to fire. (Fire Dept.: 483-6721 or 911 -- but might be on own)
3. Check utilities and shut off gas ONLY if there is a sign that it is leaking.
4. If any water pipes damaged, turn off the main valve.
5. If there are any exposed wires or evidence of shorts, then turn off electricity at the main box.
6. Check to be sure sewage lines not damaged before using facilities.

7. If utilities outside the building are damaged (e.g. fallen wires), contact authorities:
(Dept. Water and Power: 481-4211)
(Southern Calif. Gas Co.: 620-1440) but might be on own!

8. Don't enter any damaged building unnecessarily until you have assessed situation. Allow no one into building if you do not think it is safe.

9. Listen to radio for official reports, information and instructions. Do not allow anyone to use telephone except for reporting emergencies.

10. No one should leave the campus - it is safer to remain on campus until an all clear is given. The streets and roads will be needed for emergency vehicles and most cars won't be able to get very far at all.

11. The estimate is that we need to be ready to be self sufficient for at least 72 hours. Each person will be needed to work together, to share what we have, and to support each other.

*Helps to be prepared:

1. A film is available through the Residence Office - "Surviving the Big One", put out by KCET.

2. The QuakeSafe group has offered to come back on campus whenever we invite them to do a program on Earthquake Preparedness.

3. Copies of the QuakeSafe booklet, "Living With Our Faults" are available through the Residence Office for $5. apiece. (Anyone can check out a copy to see what it includes.)

4. Designated persons will be assigned in each building to coordinate the occupants for evacuation, supplies, etc.

If you are an individual with chronic illnesses that put you at risk for influenza, feel free to stop by the clinic for your vaccination. There is no cost for MSMC students.

MSMC--UCLA CROSS-REGISTRATION

Are you aware of the MSMC--UCLA cross registration agreement? In effect since 1988, the program permits undergraduate students, at no additional tuition, to enroll concurrently in courses on both campuses.

☞

"The intention is to provide MSMC students the opportunity to take classes not offered through the College, for example higher math, advanced languages and esoteric sciences," explains Sister Magdalen Coughlin, MSMC Chancellor, "UCLA students can benefit from our religion and philosophy courses, and small classroom size with a faculty/student ratio of 11.6 to 1."

Although she hasn't taken a class at UCLA, psychology major Jacqui De Marco says, "I love the libraries at UCLA, especially the bio-medical and research libraries. They have all the psych journals and the PsychLit computer search." Further information may be obtained from the Registrar's office. Whether enriching your education or networking for possible post-graduation contacts, take advatage of this MSMC perk!

EARLY WARNINGS

It is our policy here at Doheny to offer academic support to our students. One way is to notify students early if their performance in a class is below average for such reasons as absenteeism, incomplete assignments, overly difficult material, etc. Students who receive an Early Warning slip should immediately discuss the problem areas with the instructor and advisor.

Early Warning Notices are available for faculty in the Dean's Office in Bldg #10.

CONGRATULATIONS to **RENEE ROUZAN**, who has been selected as the Doheny student representative on the all-college Academic Policy Board.

HEALTH SERVICES CHOICE!

In last's week issue of the Happenings there was a form requesting all commuters to respond with their choice of a Health Service for the coming year -- either the USC Health Center or the Chalon Health Center. Only a small percentage of the commuters have responded. Please do so right away notifying us in Office 4, Bldg. 7. We need your name, your choice of center, and your social security number. (By the way, this is a service you have already paid for in your College fees. In some ways it is the equivalent of your high school nurse's office but on a more elaborate scale.) Again, it is most important that we hear form each commuter! (All residents are already registered at USC. If you have any questions, see Sr. James.)

THE ASSOCIATED STUDENT BODY AT DOHENY IS HAPPY TO ANNOUNCE THE 1992 ASB OFFICERS:

PRESIDENT:	ROSA FIGUEROA
VICE-PRESIDENT	PAOLA ARVIZU
TREASURER:	COLLETTE GUTIERREZ
SECRETARY:	KIM BUI

CONGRATULATIONS TO EVERYONE!!!

DIRECTOR OF STUDENT ACTIVITIES,

MARIA LYONS

FROM THE RESIDENCE OFFICE:

SECURITY: In an effort to safeguard the residence halls on campus, we are initiating a new visiting policy. ALL guests -- male and female -- will be announced before entrance.

In the past, only male guests were actually signed in at McIntyre and escorted in the houses. However, this is being extended to all guests in an effort to uphold the privacy and safety of the residents.

Therefore, ALL guests in houses will ring bell or knock on door for entrance to the residence area. In McIntyre, ALL guests will check in at the lobby desk (only male guests will sign in) and be announced to the resident being visited.

The resident lounges will no longer be open to non-residents unless a guest of a particular student. Your cooperation with this policy will be appreciated. If there are any concerns or problems, please address them to the Director, Sister James Marien.

SPIRIT WEEK: The week of October 26-30 has been designated as Resident Spirit Week Various activities are planned to instill some spirit and enthusiasm into the residence halls. Residents are reminded to be aware of the plans for each day--and then to participate.

RESIDENCE HALL COUNCIL:

During the next few days, the Resident students will be electing the at-large members to the RHC for '92 - '93. Voting will take place in the lobby of McIntyre on Monday and Tuesday, Oct. 26 and 27, from 10:00 a.m. to 7:00 p.m. Results will be announced at 9 p.m. Tuesday.

FROM THE STUDENT SERVICES AREA:

COMMUTER LOUNGES: This is just a reminder to the commuter students that there are three designated areas on campus for the use as lounges--places to rest, to study, to visit, etc. These are in the HANDBOOK: the Wigwam (open daily), the Gazebo (open daily), and Donohue Center (open when not reserved for some special event).

In an effort to help with the use of Donohue, a monthly calendar will be posted on the door to DCR from the lobby of McIntyre. This will give the days and times when the room is unavailable for use by students.

GUESTS TO RESIDENCE HALLS: Often commuter students are the guests of resident students and spend time in the halls visiting and studying. However, it has become necessary to implement a new resident policy relative to guests. This is to safeguard the residents and their property.

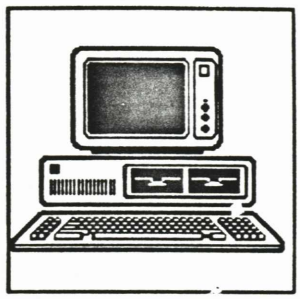

For this reason, we are asking ALL guests to check in before entrance to the living areas. In the houses, this will mean ringing the bell or knocking on the door for entrance to see a particular student. In McIntyre, this will mean that all will check in at the desk and be announced to a particular student or room. (Only male guests will actually sign in.)

The cooperation of all is necessary to help in our efforts to safeguard the privacy and safety of those of us living on campus. If there are any problems with this policy, please direct them to Sister James Marien.

FROM THE STUDENT HEALTH AREA:

USC HEALTH SERVICES: The names of those students who requested the use of the USC Health Center have been sent to their cashier. If you did not receive one of their Handbooks, please pick one up in Office 4, Bldg. 7. This contains information for the use of the service, phone numbers, etc. There are some additional charges at the USC Health Center which are not covered by your fee. These are available in Office 4 if you need to look them over. (Usually these are for tests which have to be sent out to another location rather than being done at the center itself.)

FROM THE ADN NURSING PROGRAM:

We are pleased and gratified to tell you of the addition of nine new IBM-compatible computers. The computers, funded by grant dollars contributed by the cooperating medical centers in support of developing Associate Degree Nursing (ADN) program, are located in the library and are there primarily for use by ADN students, who have priority access to them. In addition, some computer time is blocked out exclusively for the ADN students--normally on Saturdays. However, at all other times students who are not in the ADN program are welcome to use the computers. The computers contain tutorial programs in mathematics and WordPerfect 5.1, a word processing program.

Students are requested NOT to bring their own programs in for use on these computers, due to the risk of importing a virus to the system. Students must bring their own formatted floppy disks, either 3 1/2 or 5 1/4 inch for the word processing program. There are easy instructions available in binders at the computer terminals, and Charles Jackson, technical clerk in the library, is also qualified on WordPerfect, should you need further assistance. In the meantime, enjoy this new resource.

FROM PUBLIC RELATIONS

The CBS Foundation is helping spread the word about MSMC's impressive record of success in educating students from diverse ethnic backgrounds.

CBS Network affiliate KCBS in Los Angeles is helping the College develop a series of videos which can be used to demonstrate techniques proven effective at MSMC. These techniques can then be adapted for use at other colleges, universities, and/or in businesses.

Filming for these videos will begin on both campuses some time in November. As some of you may remember from the Kuralt filming, a media project results in many unforeseen changes and adjustments. We ask for everyone's patience and cooperation as this important project progresses.

Any questions should be directed to the public relations office at x529 or x537.

A BIG THANK YOU TO EVERYONE who helped make our Haunted Halloween Campus a big success. The children had a great time and so did we! Thank you to students, faculty, staff, administrators for your cooperation and generosity. We had a pumpkin good time!

TODAY is All Soul's Day--a day in which we remember our beloved dead: our deceased relatives and friends. Father Mike Crotty will preside at our Liturgy at 12:45 p.m. in Our Lady of Mercy Chapel. All students are welcome. A basket will be in the back of the chapel so that you may put the names of your deceased relatives and friends.

This is our privilege and our responsibility. Each vote makes a difference.

ALSO, tomorrow the Campus Ministry and the Campus Book store are co-sponsoring a Mock Election here on campus. This will give every student an opportunity to vote--those not yet 18, those who are not citizens, those who did not register and, of course, those who have registered. This will take place on Tuesday, also. The polling place will be in front of Ahmanson. Students from the Social Action class and the Campus Ministry team will staff the polling place. Polling will close at 5:00 p.m. These votes will be counted and the results shared with our campus community.

NEWS FLASH: On Thursday, November 12, at approximarely 11:00a.m., there will be an **EARTHQUAKE** at Doheny!!!

Hopefully, that caught your attention!

The actual fact is that even scientists are finding if difficult to predict an earthquake but we are going to **"predict"** our own by holding an **EARTHQUAKE EXERCISE** at that time. More information will be in next week's Happenings and in flyers, but this is to forewarn you to "be prepared". Both campuses will be participating in this event at the same time--just as we will when a real shake occurs! You are reminded to have your earthquake kits ready--water, flashlight, radio and whatever else you need. If you drive to school, be sure to have what you need in the car. While the exercise is **not** the real thing, all are asked to participate to the full and to cooperate. We want to be sure that our preparation efforts are a success, so we are **ready** for the times when "the earth moves under our feet!"

Bring your lunch and a friend! Feel free to come late, and leave early if your schedule does not allow the full time. We just ask that you do so quietly so all can hear.

It is only a little more than a month before Christmas and so it is time for our Annual Doheny Christmas Fair. More information on time and place will be in next week's bulletin, but for now this is a reminder to all our craft-makers to get your things ready.

For those of you who are new to the Campus, our Fair is a time for those with special skills in decoration making, crafts, small gifts, etc. to offer them for sale to the rest of the Doheny Community. A Thanksgiving Message:

Dear Students, Faculty, and Staff,

As we approach the American tradition of observing a day of thanks, we here at Doheny have many blessings to recall: our families and friends, our cultural heritage, our faith, and our freedom to learn. Let us all thank God for these gifts. Let us also pray in thanksgiving for one another and for the gift of being members of our Doheny community.

In gratitude for your individual contributions this semester, I pray that God will bless each of you and your families.

Sister Joseph Adele
Acting Dean

FROM THE DEAN'S OFFICE:

I regret that some problems regarding the rest rooms in Bldg. 4 have arisen and need immediate attention.

1. Supplies are being removed, which is not only dishonest but also inconvenient to the next person coming in.

2. After being cleaned, rest rooms are left in disorderly and messy conditions, which is inconsiderate and inexcusable.

3. After "out of order" signs are posted, people are still using the facilities. This is embarrassing to the maintenance staff when they unexpectedly find someone inside the rest room.

I find it difficult to believe these abuses would occur in any public facility but especially here on a college campus such as Doheny. Please report any further problems of this nature to Sister Edward Mary or to me. In the meantime, I ask for your cooperation and consideration regarding the elimination of these problems.

FROM CAMPUS MINISTRY:

SPECIAL LITURGY

Everyone is invited to participate in our Thanksgiving liturgy on Tuesday, November 24th, at 11:10 a.m., in Our Lady of Mercy Chapel. During this Mass we will give a special blessing to our student body leaders as well as celebrate in thanksgiving for God's many gifts to each of us. **Please come and join us for this special liturgy!** A reception will follow in Donohue.

A REMINDER

Don't forget your canned goods or used clean clothes for our Thanksgiving drive. These items will be shared with the House of Ruth, a shelter for women and children. All your donations will be gratefully received.

PENS AND PENCILS FOR PERU

Sister Teresa Avalos, one of our sisters missioned in Peru, has been visiting our campus these few months. Sister Teresa shared the great need the schools have for pencils, pens, and erasers. Peru is suffering from serious and abject poverty. There are little or no materials for education; this includes desks, books etc. If you have any used but workable pencils or pens, please put them in the labeled box in Bldg. 10, Bldg. 2 or in the Campus Ministry Office. Sister Teresa is returning to Peru on December 1st. She will bring our small gift with her to the children in Lima. Let's make sure she has a good supply!

FOR YOUR INFORMATION

ANNUAL CHRISTMAS FAIR:

As announced in last week's bulletin, plans are now being made for the Annual Doheny Christmas Fair. This is a chance for all of our talented Doheny Community members to bring forth their wares for sale--and a chance for the rest of us to get some of our shopping done right on campus.

The dates are Monday and Tuesday, December 7 and 8. The place will be in front of Ahmanson Commons (if the weather permits). The hours are:

Monday, 11:00a.m. - 1:30 p.m.

Applications for anyone wishing to sponsor a table will be available in Bldg. 7 or on the bulletin board in Bldg. 4. Sign up today-- or get a friend interested. The more who get involved, the more choices we have for shopping.

AN INVITATION:

The sisters at the Doheny Campus would like to invite the Doheny community to join us for the Christmas Novena, an evening prayer for the nine days before Christmas. For many years it as been a special prayer for us in community, and we would like to vet you join us those times when you might be on campus in the late afternoon. The Novena is a beautiful reflection upon both the Old Testament prophecies about the coming of the Messiah and the birth of Jesus.

December 16-24
College Chapel
5:15 p.m. (lasts about 15 minutes)

CONFERENCE:

Hilary Martin, OP, will present REVELATION AND SALVATION IN CHRISTIANITY, BUDDHISM, JUDAISM, AND ISLAM at Mount St. Mary's College, Doheny Campus, December 12-13, 1992. Fee: $25/both days; $15/one day only. For more information call Sister Thomas Bernard at (213) 746-0450.

MEDIEVAL ADVENTURE:

The Western Civ class is sponsoring an evening of entertainment as we reenter the world of chivalry, tournaments, and jousting. Please join us and maybe you'll even find knight to remember! The cost is only $26 (adult) and includes a four course dinner (eaten the medieval way--with your hands!), entertainment, tax and tip. Bring a friend. The date is being set as we go to press, but it will be either Dec. 3 or Dec. 10. The doors open at 6:30 p.m., and the show begins at 7:30 p.m. It is a wonderful chance to go back in time and experience the way it might have been. FROM THE EDUCATION DEPARTMENT:

We received word last week that the five-year-old son of Peggy Carey was killed in automobile accident on November 8th. Peggy Carey was the director of Child Development Center for two years (1980 and 1981). Peggy and her husband Tom also have a three-year-old girl, Lucy. We have sent a plant to the family from their friends at Mount St. Mary's in memory of Al. One of the kindergarten children in Al's class said to the priest who came to talk with them about death, "You know, Father, there's no ladder to heaven so when God wants you, he just has to come and get you."

For those of you who remember Peggy Carey and might like to send your own note, the address is:

Peggy Carey and Tom Bishop, and Lucy
909 South West Langston Road
Renton, WA 98055-2261

FROM THE ADMISSIONS OFFICE:

The following schools are participating in the "Live at the Mount" program on Tuesday, November 24, at Doheny:

RE: Ambassador Program

Looking for a job where you can learn valuable skills, help others and get paid for it? Become a **Student Ambassador**! The Student Ambassador Program is now looking for new applicants for next semester. This program is designed to help both the college students and high school students. College students learn leadership and pubic speaking skills while building their own self-confidence. In turn, they help high school students with questions about college and the application process. Ambassadors visit a local high school once a week and assist the college counselor. The duties include one-on-one counseling/advisement, helping students choose a college, and teaching them how to complete admission and financial aid forms. Besides this, Ambassadors sometimes help with clerical duties and computer work.

To become a Student Ambassador you need to have a car or access to one on a regular basis. An outgoing personality is very helpful, and you must be **reliable**. If this sounds like a job you would want but you don't think you know enough about the admissions process, don't worry...WE TRAIN! For more information, or if you have any questions, call (day) Ext. 300 (Chalon) and ask for Susan, or (evening) {213} 749-8977 and ask for Claudia.

FROM THE DEAN'S OFFICE:

STEP / MID-SEMESTER NOTICES

It has come to my attention that a number of faculty did not give **STEP** or **Mid-Semester notices** to students who received Ds and Fs. We do have a process to assist students who are not doing well in their courses, and this process is triggered by the STEP and Mid-Semester notices. Faculty should give the student a copy of the notice, with the remaining copies sent to the Advisors and the Dean. ***It is extremely important that faculty provide this early notification of poor performance so that students can be alerted to the ways that they can receive assistance.*** The notices also give the instructor an opportunity to discuss the student's performance with her.

This semester, some students who were on probation did *not* receive notices, and therefore were not directed to structured study groups. I will be communicating with those faculty who did not issue the notices.

I ask your cooperation in this matter. We have found that the process that follows from the notices has been very successful, *but we all need to follow it.*

Thank you for your assistance.

SPACE...

The Doheny Space Committee met recently and began a study of space needs for the coming academic year. Because of increasing enrollments, the Associate in Arts in Nursing Program will need additional space. This space need will necessitate some reallocation of space and shifting of some offices. Since the College will no longer have the use of the Castle, the Sabbatical Program will have to be relocated. Also, due to increased College use on weekends, the use of Bldg. #4 by outside groups will have to be limited. College use, other than regularly-scheduled classes, will have to be scheduled at the beginning of each academic year. Regularly scheduled classes during the week will have to meet in the designated time slots so both day and evening classes can be accommodated.

As the Space Committee studies various space needs and reallocations, individuals involved will be contacted. It is hoped that all decisions will be made before the end of the Spring Semester. If you are

aware of any additional space needs--or any unused space--please submit this information (on the form provided below) to my office by the end of March.

Thank you for your assistance.

-Making special efforts to be friendly and positive on campus.

DOHENY DOINGS

Volume 9, Issue 5 March 3, 1993

FROM THE DEAN'S OFFICE:

If you have students who are experiencing academic difficulties (not making a "C" or better in your course), now is the time to issue a **MID-SEMESTER NOTICE**, available in the Dean's Office (#10). It is imperative that instructors complete deficiency notices for students who are in danger of receiving a "D" or an "F". You should give a copy of the Mid-Semester Notice to the student and take the opportunity to discuss the reasons for the student's lack of progress. *Final "Ds" or "Fs" should not be given under ordinary circumstances if a student has not received a deficiency notice.*

* * * * * * * * * * * * * * *

REFRESHMENTS:

Coffee and hot water will be available in Ahmanson Commons between meal times for you. We have done this in previous years and it seemed to provide a place for faculty and staff to meet each other or to meet with individual students. The coffee and hot water will be in the small dining room at the foot of the stairs as you enter. A basket will be there for "donations." Earlyne is facilitating this for us; please let her know if anything needs to be replenished.

SWITCHBOARD:

The Switchboard is open until 8:00 p.m., Monday through Thursday.

ACCESS TO #10:

If you wish to enter Bldg. #10 after 4:30, Monday through Thursday, please ring the front door bell. The student at the Switchboard will let you in.

F.Y.I.:

Beginning on March 13, the HOPE Center Office will also be open on Saturday, from 9:00 - 12:00. It is open Monday - Thursday until 7:30 p.m. A copy machine is available there for making copies (small jobs). Please bring your own paper.

Notices are given at this time so that students have the opportunity to improve their performances. Instructors will assess the cause of the difficulty and will recommend that students make use of the assistance available on campus: the instructor, the Learning Resource Center, tutors, and study groups.

There is still time to improve your grades before the end of the semester!

DOHENY HAPPENINGS

VOLUME 22, ISSUE 23 **WEEK OF MARCH 29, 1993**

FROM CAMPUS MINISTRY:

THANK YOU! THANK YOU!

Thank you to all who assisted and participated in our St. Joseph's day liturgy. We were happy to have so many present to celebrate and thank God for our Sisters and to ask God's blessing on our Doheny campus.

WE DID IT!

Twelve students did go to Big Bear during the Spring Break for two days of retreat, rest and relaxation. Aside from a flat tire and getting lost, everyone had a wonderful time. These students are talented--they can cook and clean, sing and pray! Our next retreat will be in the fall; think about joining us!

SACRAMENTAL PREPARATION

It is important that all students interested in sacramental preparation return the form they received from the Campus Ministry Office as soon as possible. We encourage other students to think about starting preparation next fall either here on the Doheny campus or at the Chalon Campus.

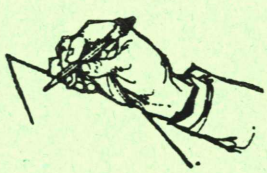

* *

SOPHOMORES

To all of you who took the time to fill out your Survey, ***THANK YOU***! Your input is greatly appreciated and will be put to good use by the College. Your ideas and comments will be passed along to the appropriate departments over the summer.

For those of you who haven't had a chance to complete your survey yet, there's still time! New copies of the survey were mailed out this week, and we look forward to hearing from ***ALL*** of you. Commuters, this is a great forum to voice all your concerns, and this is a chance for everyone to make a lasting contribution to MSMC. If you need another copy or have questions, please call Chalon Ext. 557. Again, thanks to all of you who took, or will take, the time to fill out your survey.

Sr. Kathleen Kelly, Dean

FROM THE REGISTRAR'S OFFICE:

FOR YOUR INFORMATION

NEW AWARD TO BE GIVEN ON MARY'S DAY

The **Sister Rebecca Doan Award** will be given for the first time at Mary's Day 1993. This award will honor the outstanding baccalaureate graduate who began her academic career at the Doheny campus. This student will have demonstrated excellence in the areas of academic achievement, service to others, and quality of character.

Sister Rebecca Doan was president of Mount St. Mary's College at the time the Doheny campus became part of our institution thirty years ago. It is fitting that this award be named after Sister Rebecca, whose efforts were instrumental to the successful acquisition of the Doheny campus and to the educational opportunities it opened for our students.

FROM CAMPUS MINISTRY:

1993 WALL PROJECT

We have been asked to participate in the **"1993 Wall Project"** co-sponsored by United Ministry at USC and the Education Consortium of Central Los Angeles, (ECCLA). This project's goal is to encourage creativity and to facilitate healing for all the participants. Our responses will be typed on pieces of paper and placed on a large board forming a mural that will be exhibited on the USC campus during the last week of April. We will also use our responses on our own campus. Attached to this Doheny Happenings is a response sheet. We encourage **ALL** students to participate. Response sheets are due on April 13th. Please return papers to the Campus Ministry drawer in Bldg. 10, to the envelope on the Campus Ministry bulletin board or to the Campus Ministry Office (Bldg. 7, 3rd fl.).

It is almost a year since the civil unrest in Los Angeles. The remembering of this event is an opportunity to challenge ourselves to live more respectful lives and to choose to do something positive to make our community a better and more safe place for our brothers and sisters.

LENTEN PRAYER SERVICE

This week is Holy Week, a week in which we remember the suffering and love of Jesus for all of us. The Campus Ministry Office invites all students, staff, and faculty to participate in a Lenten Prayer Service on Tuesday, April 6, at 11:15 a.m., in Our Lady's Chapel. The prayer service will take about 25 minutes at most. Please come and enter into the spirit of these holy days.

ATTENTION

BIG SISTERS: Want to be an influence on a new freshman? Want to share your vast knowledge about college life? Interested in the new students coming to the College? If any one of these questions is a yes, then you will want to be a **BIG SISTER**. Big Sisters help with orientation of new students on Saturday, September 11 and Sunday, September 12. Big Sisters are allowed to move into the dormitories on Friday so that they are ready to welcome the new freshmen. Big Sisters set the tone and spirit for the campus. **Sign up to be a Big Sister today by filling out the attached information sheet and leaving it in Bldg. 10 or in Rm. 109 (LRC).** If you have any questions, call Elizabeth Mendez at (310) 440-1309.

FROM THE EDUCATION DEPARTMENT:

We have received word that all three of the nominees from MSMC for Rockefeller Brothers Fund Fellowship for Minority Students Entering the Teaching Profession have been selected as fellows. Special congratulations to: **Elena Enriquez** (English major), **Lilia Aguila** and **Adriana Chavez** (Liberal Studies Majors). This year, eighteen colleges and universities were selected to participate in this program and twenty-five nominees were selected as fellows. It is a great honor to MSMC and to our students to have all three of our nominees awarded fellowships.

This summer, Rockefeller Brothers Fund Fellows will engage in a project or a set of activities designed in collaboration with their mentors. Fellows receive a stipend of up to $2,500.00 for their summer projects. Carla Bartlett will serve as mentor for Elena Enriquez, and Sr. James Marien Dyer will serve as mentor for Lilia Aguila and Adriana Chavez. Fellows and mentors will participate in a meeting in August at a conference center near Washington, D.C. During the meeting, they will present a short, informal account of their summer projects.

At this time we would also like to extend congratulations to the other MSMC finalists, **Brenda Gordon** and **Maria Salgado**, as well as each of our students who applied for the fellowship.

It is anticipated that our association with the Rockefeller Brothers Fund Fellowship Program will continue. We encourage you to encourage eligible students who may be interested in teaching in public schools in the United States and who demonstrate high academic performance, strong written and oral communication skills, and a commitment to public service (and who will be juniors in 1993 - 94) to apply when the materials become available in October of 1993. Please contact the Education Department if you have questions about this very important program.

What do you remember about last Spring's civil unrest?
Now, almost a year later, what are your feelings about what took place?

PRAYER SERVICE TO HONOR GRADUATES

A special prayer service honoring the A.A. graduates will take place in Our Lady's Chapel on **Thursday, April 29th**, at 11:15 a.m. Everyone is invited. Besides honoring the graduates, we will thank Sister Carroll Laubaucher and Ann Marano for their generous service to our campus. Both are leaving the College at the end of this academic year. We will also honor Sister Kieran Vaughan who will begin a Sabbatical in the fall of 1993. A reception will follow in Donohue. **Please come and join us!**

ATTENTION

First Years! Would you like to help with this year's graduation honoring the Class of 1993? If so, we could use your help as members of the traditional Honor Guard on Laurel Day (Friday May 7) and / or Commencement (Saturday, May 8). Please drop by Office 4, Bldg. 7, if you would like to join in the festivities.

Graduates! Last call! If anyone did not receive a packet of information for Graduation, it means that we do not have your name on the attendance list. Please drop by Office 4, Bldg. 7, as soon as possible to get this taken care of, as we do not want you to miss any of the celebration in your honor.

FROM RESIDENCE:

COMMUTERS:

Just a reminder that if you wish to live in Residence on the Doheny Campus this coming Fall, please drop by the Residence Office in Bldg. 7 and pick up an application. You do not have to pay the deposit right away, but it will help if we have an idea of numbers.

ATTENTION ALL STUDENTS:

HAPPY SUMMER!

FROM THE DOHENY HAPPENINGS STAFF

MORE FROM THE DEAN'S OFFICE:

If you have received emergency loan funds from either Sister Kathleen or Sister James Marien, you *must* make arrangements to repay the loan before May 6. If you have unpaid loans, you will not receive your diploma or be able to register next semester. The funds which make these loans possible represent gifts made by private foundations to Mount St. Mary's College for the purpose of providing short-term loans to students who face an immediate need for funds. You are urged to respect the terms of this loan so that the funds can be "recycled" and loaned to *other* students in need.

GRADUATION DETAILS:

As the time draws near for the celebrations around the commencement of the Class of '93, an invitation is extended to all the Doheny Campus to join in the festivities:

LAUREL DAY: **Friday, May 7, 5:00 p.m. in front of the Mansion.**
This ceremony includes the Hooding of the Associate graduates and the awards ceremony for the Doheny Campus. A reception on the South Lawn follows the ceremony.

COMMENCEMENT: **Saturday, May 8, 2:00 p.m.**, Chalon Campus.
This is a traditional all-College ceremony honoring all the members of the Class of '93--**Associates, Bachelors, and Masters**. Parking is sometimes a bit difficult for this ceremony, due to the numbers which attend, so carpooling is recommended (shuttles are provided for those who park on Chalon Road).

Plan to attend both ceremonies if you can, but we would especially like the Doheny Community to share in the Friday celebration. Come if you can.

NOTE: Undergraduates are invited to participate in the ceremony by being part of the **Honor Guard.** Please notify Sister James if you would like to join the group.

PRACTICE FOR LAUREL DAY:
Practice for the Hooding ceremony (Laurel Day) will take place on **Thursday, May 6, at 2:30 p.m.**. Please report *on time* to the Lecture Hall for directions and line-up. We will walk through the ceremony and practice the reading of names. Plan to be there if you can--practice should take about an hour.

CAPS AND GOWNS:
Please be sure to get your cap and gown from the Bookstore this week. It will not be open on Saturday for you to pick up anything.

REMINDER:
If you have not received the last packet, you can pick one up from Sister James in Bldg. #7.

FROM CAMPUS MINISTRY:

THANK YOU!

...TO ALL THE STUDENTS WHO HELPED MAKE OUR CLOSING **PRAYER SERVICE** MEANINGFUL AND BEAUTIFUL. THE CAMPUS MINISTRY OFFICE CONGRATULATES OUR GRADUATING SOPHOMORES AND WISHES EVERYONE--ADMINISTRATORS, FACULTY, STAFF AND STUDENTS, A PEACEFUL LAST WEEK OF SCHOOL.

FROM THE REGISTRAR'S OFFICE:

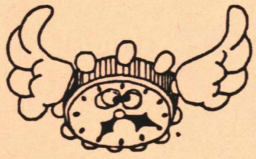

FINAL REMINDERS!

- ❒ **There are still a few students who have not pre-registered for Fall 1993 classes. Please try and register this week.**

- ❒ **If you are NOT GRADUATING and NOT RETURNING TO MSMC, please complete either a "Leave of Absence" form or a "Withdrawal from the College" form before you leave school at the end of the week. These forms may be obtained from the Registrar's Office.**

FROM THE ADVISEMENT CENTER:

SUMMER SCHOOL:

If you are planning to attend school (other than MSMC) during the summer, it is VERY IMPORTANT that you start contacting schools SOON. Students who are already enrolled this academic year will have FIRST PRIORITY for the summer classes. It is very important that you get the necessary registration information and, where given, your filing number. If you wait until mid-May /June, you may not get your class(es). You may wish to contact several schools in different districts.

You need to get a copy of the summer schedule of classes; the Advisement Center *does not* have them. The nine Los Angeles Community Colleges (City, East, Harbor, Mission, Pierce, Southwest, Trade Tech, Valley and West) may not yet have all the needed information, but do try now.

BEFORE REGISTERING...please meet with your advisor concerning which class you will be taking. If you have any questions, please feel free to go to the Advisement Center for assistance. Attached to this issue is a sheet with Summer School and Transfer of Credit Clearance directions and information. Please keep it for reference and do use it.

FROM THE RESIDENCE OFFICE:

COMMUTERS: All those still interested in applying for housing on campus for Fall are reminded to pick up an application in the Residence Office in Bldg. #7. There is a $100 deposit to accompany this application, but forms will be accepted without the fee although no room can be assigned until it is on file.

NEW R.A.s: ***Congratulations*** are in order for the following students who have been selected to serve as Resident Assistants for the coming.year:

Cynthia Calderon
Roxana Garcia
Samatha Porter
Laura Rodriguez
Norma Rodriguez

Thanks are extended to all the students who applied for the position. In addition, thank you to the current RAs and those residents who took the time to send in their questionnaires on the candidates. All pieces of the process are most important.

NOTES FROM THE HOPE CENTER:

- **JOSE LIM**, OTA student, has been awarded a scholarship by the American Occupational Therapy Foundation. Jose is an honor student graduating this spring.

- The **Black Occupational Therapy Caucus of Southern California** has selected Mount St. Mary's College Occupational Therapy program as their place of choice to meet.

- **Janelle Burnett** is welcomed as the new Associate Degree in Nursing Program Receptionist-Secretary.

- **Willie Gauff**, ADN staff, has been promoted from secretary to ADN Admissions Counselor.

CONGRATULATIONS TO ALL!

Transfer of Credit Clearance

SUMMMER SCHOOL: If you are planning to attend a Summer School other than MSMC, you need to do several things before registering for your class(es).

1. Decide what you will take and where you will take the class(es). (Ordinarily, a student does not take more than 6 units in summer.)

2. Verify that those courses are going to be offered. Most of the community colleges will have their schedule ready soon. Some of the 9 L.A. Community Colleges (ELAC, LACC, Valley, Harbor, West, Southwest, Trade-Tech, Pierce, Mission) will NOT have them ready until later. Most summer sessions begin around June 29. Phone the college(s) of your choice now and ask them if the course(s) will be offered: if the registrar can't answer, try the department; also request an application for student enrollment and a class schedule of SUMMER SESSION. (These are not available in the Advisement (Center.) At many colleges you must do the student enrollment before you are able to register for classes. Do so soon.

3. Get a Transfer of Credit Clearance form from the Registrar's Office/Advisement Center. Check the policy regarding taking classes elsewhere, after enrollment in MSMC. PLEASE follow the policy.

4. Check with your Advisor/Advisement Center to be sure that the courses are TRANSFERABLE to MSMC and SATISFY what you intend to do.

5. If you are taking two classes, you may indicate BOTH classes on the same form. Please help us to prevent waste and also help to "save the trees".

6. Get your advisor's signature; if the course(s) is/are to satisfy program requirements, you will need your program director's signature in #1 of the form.

7. In filling out the section for title and course number, please fill it out correctly. If you need assistance filling this out please ask someone in the Advisement Center.

8. PLEASE BE SURE TO DISCUSS YOUR PLANS WITH YOUR ADVISOR; do not presume that classes taken off campus will be accepted by the college.

9. Before bringing the form to the Advisement Center, make sure you have ALL of the necessary signatures. Be sure that you do the paperwork BEFORE you enroll in a class off campus. Until the form has been completed, reviewed by the Director of Advisement, and signed by the Dean of the Campus, you cannot be sure that the course is approved.

10. If you cannot complete the necessary paperwork before May 11, you may do so when the information is available. If you need to do your paper work after May 11, please be sure to phone and confirm a time to meet with your advisor and/or Sr. Therese before coming on campus.

Thank you for your assistance in processing the Transfer of Credit Clearance forms. PLEASE SAVE THESE DIRECTIONS for future use.
